

Yorktown-Mt. Pleasant Twp. Community Library
Minor Computer Use Permission Form

By signing below I hereby give permission for my child to use the Internet at the Yorktown-Mt. Pleasant Twp. Community Library. I understand that the Internet, as an informational resource, enables the Library to provide information beyond the confines of its own collection. It allows access to ideas and information from around the world. The Internet is an unregulated medium. As such, while it offers access to a wealth of information that is personally, professionally, and culturally enriching to individuals of all ages, the Internet also enables access to some material that may be offensive, disturbing and/or illegal.

The Yorktown-Mt. Pleasant Twp. Community Library assumes no responsibility for the use of the Internet by children. It is not possible for library staff to control specific information youth may locate on the Internet. It is the responsibility of the user, or, in the case of children 17 years of age and younger, of the parent or guardian of the user, to determine what is appropriate. Parents are encouraged to set their own rules and discuss them with their children on such issues as chat rooms and giving out personal information over the Internet.

Parents wishing to control the material to which their children are exposed are expected to provide sufficient supervision of their children to accomplish this.

Furthermore, by signing below I acknowledge that my child and I have read, understood, and signed the Library's Computer Use Policy.
